Mrs. Dayton is moving from her one-bedroom apartment into a one-bedroom suite with kitchenette at a seniors community. She has family in who live nearby, however, all are working, have busy children, all leading very busy lives. She contacted **Boomer Movers Inc.** to hire a move specialist.

She and her family were looking for assistance and guidance with the following:

1. Deciding what pieces of her furniture to keep that will fit into her new home
2. Deciding and packing all items that will move with her to new location
3. Downsizing items such as clothing, seasonal items, kitchen items etc.
4. Hiring and supervising the movers
5. Unpacking items in the new home, setting up furniture, making the bed and putting her home in order so it is welcoming, warm, and comfortable.
6. Supply, and remove all packing materials after the move

All of Mrs. Dayton's transitioning needs have been taken care of by **Boomer Movers Inc.** for only \$1,949.

Boomer Movers...

- Provide affordable rates, so you can decide what fits your budget
- Takes care of the packing and unpacking, so you can be available to support your parent's emotional needs, instead of doing the physical work
- Are insured and bonded, so you can be confident that your belongings are protected
- Help clients stage their home, so it sells quickly at the highest price
- Help you develop a floor plan, so you can visualize your belongings in your new home and be confident everything will fit
- Take care of all the details, so you can sleep at night

NOTE: There are no two moves that are alike; each will have its own individual characteristics, and time requirements that influence price. Boomer Movers Inc. will provide a written estimate approved and signed by the client prior to work commencing.
